Education

ESF Island Secondary School

2009 – 2016

International Baccalaureate (IB) Diploma Holder
Completion Date: July 2016

Higher Level Subjects (Grade out of 7): Chemistry (6), Biology (5), English A Language & Literature (6).
Standard Level Subjects (Grade out of 7): Psychology (6), Standard Maths (5), Japanese B (5).
Extended Essay (A Grade)

Otago Polytechnic

2017 – Present

Bachelor of Information Technology
Completion Date: Still ongoing

Languages and Frameworks: C#, C++, Java, SQL, HTML, CSS, PHP, Javascript, Laravel.

In this course, I have been learning various skills necessary for a career in Information Technology. In no particular order, these skills include database management, programming in various languages and for various platforms, UX and UI design, and software engineering principles and practices as used in the industry. Though I have not graduated yet, I am currently on track to graduate at the end of 2019.

Previous Employment

HMV Bar and Grill

2016

Waiter
3 months

This customer-facing job taught me the valuable skills of putting clients first and working professionally as a member of a team.

ESF Island Secondary School

2017

Manual labourer
1 month

Over the summer I was paid by the hour to help pack up furniture, books and archival documents at my old secondary school, so that they could be moved to a new campus.

Other Experiences

Athletic

1) Hiking -Nepal Trek

2015

- Twelve-day trek with schoolmates in the Anapurna mountain range in Nepal.

2) DeA Tigers Rugby (now USRC Tigers Rugby)
